17 IT IS HEREBY STIPULATED, by and between the parties to this action, that the sentencing  
18 date in this case, currently scheduled for Monday, September 11, 2006 at 2:30 p.m., may be  
19 continued to Monday, October 16, 2006, at 2:30 p.m., before Honorable Claudia Wilken. Defense  
20 counsel is requesting the continuance in order to have additional time to obtain records in support of  
21 sentencing. At the probation interview, which occurred during the week of July 17, 2006, it became  
22 evident that Ms. Justin suffered abuse at the hands of her aunt as a child and that there are relevant  
23 records which will provide additional information. The information is significant to a variety of  
24 factors at sentencing, and counsel will likely have Ms. Justin evaluated after receiving copies of the

records. Ms. Justin is a single mother of a five year-old boy, and she could be facing a custodial sentence. Defense counsel needs additional time to obtain certain documents and further investigate Ms. Justin's past circumstances in preparation for a presentation to the Court regarding the relevant sentencing factors under 18 U.S.C. §3553(a). Some of the records are child protective services records from over ten years ago which may take time to locate and then investigate.
